- For arranging fibres inside a patch panel
- Compatible with LANmark-OF Plug&Play Patch Panels and Snap-In panel

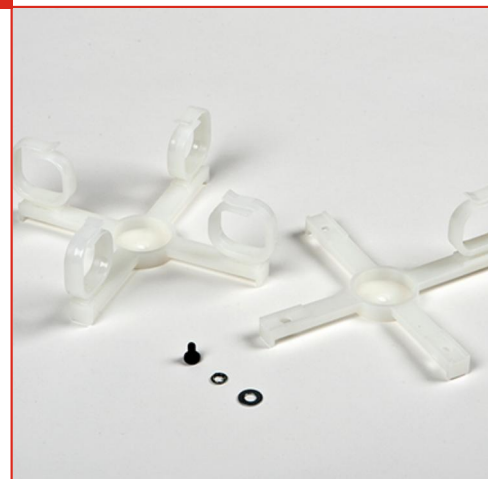

DESCRIPTION

The LANmark-OF Fibre Organiser consists of a support base and 4 rings for improved fibre management.

Up to 4 separate organisers can be installed in the LANmark-OF Plug&Play Panel and LANmark-OF Snap-In panels.

The screws and washers to fix the organisers inside the patch panel are included.

Each pack contains 10 individual organisers.
